# May, June, July & August 2018

Dear All,

We are delighted to be extending our service into the EX23 9 postcode area for a trial period of 4 months, after this time we will evaluate and decide if the service is viable to carry on. It will be 'use it or lose it' so please tell your friends, family and neighbours about us.

We hope that you will enjoy using our door to door Ring & Ride service. We would ask that if you find that you are no longer able to go on the trip which you have booked for, can you please ring us at least the day before to cancel.

We are open to suggestions as to where you might want to go on the trips, so please give us a ring if you have any ideas.

We hope you enjoy your trips:

**Truro:** A chance to visit the Capital City of Cornwall and enjoy the many shops it has on offer, including a huge Marks & Spencers.

**Falmouth:** Take a stroll around this beautiful Cornish town, visit the flat but long Highstreet and browse their many quirky unique shops. Then maybe enjoy one of their delicious pasties (I would recommend Choaks - best pasties in Cornwall)!

**Torquay:** Visit this large seaside town in the South of Devon. Enjoy the views and large number of shops.

**Minehead or Dunster:** Choose to visit Minehead with its lovely beach and many shops or its neighbour Dunster which is a medieval village with fantastic architecture and a fine Castle to look at (entrance charge to the castle).

**Tavistock & Supermarket:** Visit this popular town with its shops and fine eating establishments with the opportunity to visit Morrisons to stock up on your shopping.

**Okehampton & Supermarket:** Take a trip to this Devon town and enjoy the shops which it has to offer, we also offer you the opportunity to visit one of the supermarkets to stock up on your essentials.

**Atlantic Village & Supermarket:** Extremely popular with our other clients due to its discounted stores. A great opportunity to shop til you drop!

**Bodmin & Supermarket:** Visit Bodmin town and then onto the huge Asda for some more shopping opportunities.

**Trago Mills, Liskeard:** Enjoy the opportunity to visit this huge retail establishment with bargains to be picked up.

**Dartmoor Drive:** Enjoy the picturesque views of Dartmoor, stopping for lunch at an establishment of the drivers choice.

**St Ives:** Visit this extremely popular Cornish seaside town and enjoy the stunning views, take a wander among the galleries and shops the town has to offer.

**Exmouth:** A lovely seaside town in South Devon boasting both shops and views to enjoy.

**Looe:** A cracking little Devon seaside town with plenty to see and do.
