

NEWSLETTER

NOVEMBER & DECEMBER 2018

Dear All,

We are glad that many of you gave us feedback after the last time table. We are pleased to say that we have acted on some of your suggestions but at the same time there are a few things which unfortunately we are unable to change, particularly the way the timetable works. We are afraid that not every area can have the trips on the day which would suit them the best, it is physically impossible to design a timetable that way. We hope you understand.

After so many of you said you missed her, Angie has swopped with Ed and is driving the Ring & Ride on a Monday and Tuesday, Ed will continue to drive on the Wednesday, Thursday and Friday.

A reminder that the office will close at 3pm on Friday 21st December and reopen again at 9am on Wednesday 2nd January. In between those dates, the answer machine will be monitored, so if you have an urgent enquiry please ring and leave a message. For anything non-urgent, we would ask that you to wait until the office is open again in January.

After feedback from yourselves, we have decided to end the loyalty card scheme. You reported that although it was a nice gesture, the rewards were not necessary.
